

iTunes Music Store Application Form

Thanks for your interest in the iTunes Music Store. Please use this form to tell us more about your independent record label and the types of music you have to offer and fax it to us at 408-253-0186. Please print as clearly as possible. We are evaluating hundreds of applications, so it may take longer than we'd like to get back to you. But don't worry—we will review your application and contact you if we are interested in including your label in the iTunes Music Store. We will also keep your application on file for future reference, so there's no need to submit it more than once.

This inquiry is intended solely for use by persons who either own or control a catalog of sound recordings for digital distribution, or are an authorized representative of someone who does.
